

4th Generation Joins The Family Business

Suzanne Lloyd has become the fourth generation to join the P&O Lloyd Coaches business in Bagillt, Flintshire.

Following training with Chevron Training in Flint, a first time test pass with just one minor fault for her category D licence has opened the way for Suzanne to follow in the family footsteps. Suzanne has been described by John McKenna, Partner in Chevron Training, as 'a natural driver who has been rewarded for her hard work and effort with an outstanding pass result'. Both her driving test and the new Driver CPC initial qualifications were passed first time by Suzanne.

Founded by twins Pryce and Owen Lloyd, Suzanne's Great Uncle and Great Grandfather and, the business has been handed down through the generations to Owen's son Frank, Suzanne's Grandfather, then to his son David, Suzanne's father whom she now works alongside.
